  - Small Portable Garden Bag—Size: 12" x 12" x 11"
  - Medium Portable Garden Bag—Size: 22" x 12" x 11"
- Simple to set up; bags fold flat for winter storage
- Full-color packaging with complete gardening instructions:
  - Includes "what's-needed-for-planting" information

EASY GARDENER® PORTABLE GARDEN BAGS are specially created to meet today's hottest gardening trends—container gardening and "grow-your-own." Portable Container Planting Bags make growing herbs, salad, veggies or flowers simple and fun…in any situation.

Garden bags are small enough to be placed on porches, patios and balconies. Just set the bag down, add soil and plant. It's that simple! And, they also fold flat for convenient winter storage. Made from natural jute with a water-resistant coating, these bags can easily be moved, even when full, to follow the sun or just to add color and texture to another outdoor area. Portable Garden Bags—available in sizes small and medium—are perfectly proportioned for growing herbs, salads, vegetables and flowers.

On the front of each package, "what's-needed-for-planting" information is clearly visible, so the consumer can go home confident of having everything required to complete the project. Inside the package, full planting instructions include planting layouts for each bag size plus how to best grow their new garden.

Each individual garden bag is sold separately. Easy Gardener Portable Garden Bags—The Easy and Fun Way to "Grow Anywhere" Gardening!
